ALTITUDE ONLINE NOW

Altitude Restaurant recently opened in the newly renovated The Resort at The Mountain, located in the foothills of Mt. Hood, less than an hour from Portland, Ore. The restaurant is part of The Resort at The Mountain's \$17 million makeover.

The restaurant offers a contemporary Northwest ambience with varying textures of stone walls, wood and tile to create an upscale look. Clean lines, spot lighting and a grand chandelier add elegant touches. The dining room is available for private events. Altitude's capacity estimates are 80 in the main dining room, eight in the private dining room and 25 in the lounge area. (Altitude Restaurant // 503.622.2214 / www.AltitudeRestaurant.com)
